### Why Choose Ugandan Coffee?

Uganda is one of the top coffee producers in Africa and the world's leading exporter of Robusta and a premium producer of washed Arabica. Grown in the fertile volcanic soils of Mount Elgon and the shaded forests of the Great Lakes region, Ugandan coffee offers rich cup diversity, sustainability, and increasing recognition on the global stage.

### Global Awards & Recognitions

- 2021 African Fine Coffees Association (AFCA) Taste of Harvest - Gold for Arabica from Mt. Elgon
